I am going to participate in an In-Person Class with Pink Umbrella Theater Company!

This class will meet once a week at Plymouth Church UCC in Milwaukee.

I can prepare for class by completing the health screening survey. I can do this myself or with a parent/guardian.

**COVID-19 Screening Questionnaire**

This form serves to gauge you or your student's level of exposure to COVID-19 and help us keep our community safe!

We acknowledge that some of our students are vaccinated, but not all who take classes at Pink Umbrella Theater are able, choose to, or are old enough to be vaccinated. We feel strongly about ensuring a safe place for everyone under the umbrella. We will continue to require masks that follow CDC guidelines such as fitted masks or double layered gaiters.

I can also prepare for class by bringing the following items with me: mask, water, snacks, and layers.

I should dress in comfortable clothes and shoes that I can move in.

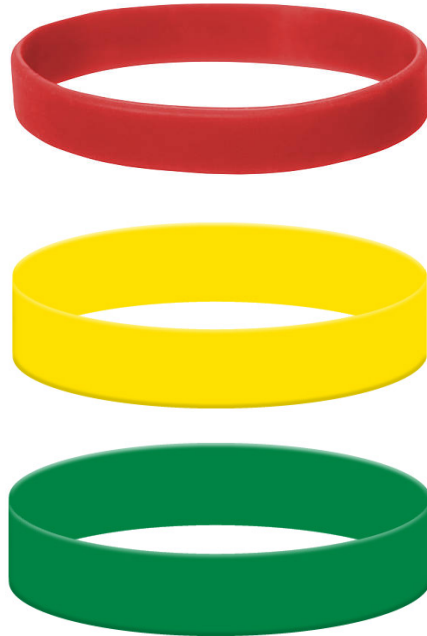

When I arrive, I will go to the Welcome Station. I will sanitize my hands.

I can use the hand sanitizer provided by Pink Umbrella, or my own that I bring from home.

I will also choose what color wristband I would like for the day. I can do this myself or ask my parent/guardian for help.

Red means “Keep 6 feet of distance”, Yellow means “Ask before coming closer”, and Green means “Come into my space”.

I will wear my mask for the entire class, unless I am eating or drinking. I should make sure my mask covers my nose and chin.

## How to wear a face mask properly

- Wash your hands before putting on your face mask
- Put it over your nose and mouth, and secure it under your chin
- Try to fit it snugly against the sides of your face
- Make sure you can breathe easily
- Do not place a mask on a child younger than 2 years

[chrichmond.org/covid-19](http://chrichmond.org/covid-19)

During class, I will be spaced at least 6 feet away from my fellow classmates. I should keep this distance by staying in my marked, designated space.

I will dance, act, and sing in my marked space. We may move out of our spaces during certain activities, but we will stay at least 6 feet away from others.

I may have my own box or bag of class supplies. I should not share these with my classmates.

I will return my box or bag to my teacher at the end of class.

These precautions will help me and my classmates be successful and safe.
